

The Ride to Cure FA Channahon, IL Sunday-July 23, 2017

On Sunday, July 23rd the Friedreich's Ataxia Research Alliance (FARA) will host a bike event in the communities of Channahon, Morris, and Minooka. The ride offers a 4, 12, 27 and 50 mile route option. All routes begin and end in Central Park. RideAtaxia benefits FARA-a nonprofit organization dedicated to research leading to treatments and a cure for Friedreich's Ataxia (FA). FA is a debilitating, life shortening, degenerative neuro-muscular disorder. This is our 6th year for the ride in Channahon. Last year we had 400 participants and raised \$89,000 for research! Outback Steakhouse, Carrabba's Italian Grill and Bonefish Grill provide lunch for all participants post ride.

Come out and be a part of a great event!

For registration information, please go to;
rideATAXIA.org/chicago

Together we will cure FA.
