Soccer Announcement

Last night in Soccer your Channahon Indians wrapped up their season with a 9 -2 win against Saratoga. To make things interesting before the game Mr. Martin spun a giant wheel and the players were assigned random positions. This resulted in Brady "The Brick Wall" Binkowski debuting in goal for the Indians. Before the game Betsy Kennedy and Angelina Setta were so excited to have random position that they were spotted carry the Soccer flags outside by Mr. Martin's car. The following players had goals last night: Brandon Shephard, Ryan Serchuk, Austin Dolbee, Emy Diaz, Nik Klukas, Jon Price, Gabriel Nieto, Jared Boe, and AJ Schamber. As the Indians scored a season high 9 goals! Colin Harrington, Kaitlyn Lavezzi, Joel Martinez also played in goal last night. Mekhi Cortes and Ashley Sullivan both had assists in the goal parade. Danny Boy Arvanis, Zach Casagrande, and Teagan Sanderson all played solid in the random positions they were assigned. Natalya Klukas and Jack Fink were paramount in providing support for our random goalies. The player of the match though was the man, the myth, the legend Issac Trevino. Issac gave it his all and his play was inspired the rest of the team around him. The soccer team ends the year with another successful winning season. Remember practice is optional tonight and end at 4:00. Pizza Party/Awards are next week and starts at 4:35.

Last night in soccer your Indians went up against Shabbona in a game that will probably be called the Mekhi Cortes game for years to come. In the most exciting game of the year Mekhi score 4 goals (a season high) for the Indians including the game winner with 30 seconds left to play. With Mekhi's scoring and strong play from Teagan Sanderson, Emy Diaz, and Ryan Serchuk, the Indians were able to pull off a 5-4 win against a team that had beat them 8-3 earlier in the season. Awesome job Indians!

Last night your Channahon Indians went up against Minooka and came out victorious winning 5 to 0. Mekhi Cortes, Nik Klukas, Ashley Sullivan, and Gabe Nieto all had goals. The most exciting goal of the match though came when Danny Boy Arvanis a former Minooka student and current Channahon Junior High 7th grader scored against his former team. His goal was such a thing of beauty that it forced the sun to appear from behind the clouds, the bench and crowd went wild, and Mr. Martin was moved to tears as he was spotted sobbing on the sideline. It was that pretty! When you see Danny in class or in the hallway make sure to tell him congrats on scoring a goal and getting revenge on his former team. Tonight your Channahon Indians are home for the last time this season as they go up against Shabbona. Game time is 4:30. Come out and watch us in this exciting match up

Last night the "A" Baseball Team played Minooka in the regional championship game and fought hard but lost 5-1. The boys came to play and led the game 1-0 until the bottom of the 4th inning when Minooka scored 3 runs with two outs. Channahon continued to fight back but could not get any more runs on the board. The Indians gave Minooka a scare when they loaded the bases with two outs in the top of the 7th inning but fell short in a great game! This team has fought hard all year and can hold their heads high as their season comes to a close. Great job boys!

Last week your Channahon Indians lost to Richland 5 - 1. Austin Dolbee had the one goal for the Indians. Tonight we play home against Minooka. Come out and support your soccer as we go up against our biggest rival.

The cross country team competed at the Troy Invitational this past Saturday which saw more than 2300 kids race! The kids once again ran extremely well! In the sixth grade race, Cassie Fuhrman finished 10th overall, Gavin Carlson finished 11th overall, and Hayden Host finished 5th overall with each receiving individual medals. 8th grader Kathryn Cichon medaled, finishing 8th overall. The 8th-grade girls' team took home the 4th place trophy out of 59 teams.

Last Saturday the "A" Baseball team traveled to Minooka to play a semi-final game against Ottawa Shepherd. The Indians jump out to a quick 4-0 lead in the first inning. Ottawa fought back and took the lead 7-4 going into the 7th inning. The Indians were down to their last out of the game when the guys came alive with several walks and some key hits including Michael Tuman's double that plated the tying run. Alex Allen came up and delivered what turned out to be the game winning hit. The Indians shut the door on Ottawa with a great throw by Louie Johnson to cut down a base runner trying to steal second base. Great game by the entire team! The Indians travel to Minooka tonight to face Minooka in the Regional Final.
