ACADEMIC PROGRAM

The academic day at CJHS consists of exploratory classes, physical education and health, a study hall, lunch, & the five core academic subjects: language, reading, math, science, and social science. All class periods are approximately 45 minutes long with a 3 minute passing period. Each lunch is approximately 30 minutes long (20 minutes to eat, 10 minutes for recess or other activity such as silent reading).

Arts Rotation Classes: These exploratory classes at CJHS are each 12-weeks in length and focus on areas outside of the core curriculum. All 7th graders will be enrolled in the following exploratory classes: Spanish, DREAM LAB, or Computers. All 8th grade students will be enrolled in the following exploratory classes: DREAM LAB II, Music with Guitars, and Art. Students who excel academically within the 7th grade foreign language exploratory may be offered the opportunity to extend their experience with this type of learning into their 8th grade year. Any 8th grader enrolled in Spanish will not be enrolled in part or all of the normal exploratory rotation. Below you'll find a brief overview of the arts courses:

Art - Students get hands on experience and reinforce concepts learned in the core academic subjects, especially science.

Foreign Language - The 7th grade exploratory course is designed to teach basic communication skills within the Spanish language. Students interest in a new language will be sparked in this 12-week class.

DREAM LAB 1 & 2 - These courses allow the students to "dream" big about solving a world or community problem OR inventing something to better serve mankind.

Computers 1 - Students will be taught software, web-based programs, cloud-computing and skills that will be needed in their academic years.

Music with Guitars- This 8th grade exploratory class is designed to teach music appreciation, music history and music application, especially through guitars.

Tutorial Transition - This 7th and 8th grade exploratory course offers assistance with study skills and organization. It will also give tutorial assistance and is designed to maximize the academic performance of the participants. Students are placed in this course by the principal on an as-needed basis.

Rtl Tier II Interventions – Some students may qualify for additional minutes of math or reading instruction based off of their MAP scores. Students who qualify will be pulled from arts rotation, study hall or P.E. to receive these extra minutes up to two times a week. The Rtl program is studied by the CJHS Building Teams on a regular basis.

Academic Remediation: In order to be promoted from 7th to 8th and from 8th to 9th grades, students must maintain a cumulative grade point average of at least 1.0. We strive to provide additional academic assistance to students in danger of not meeting the 1.0 grade point average. Summer school is not offered through District 17.

CORE ACADEMIC CLASSES

Language Arts: Students receive instruction regarding reading comprehension and language arts skills within a combined 2- class period time block on a daily basis. They will receive one grade for the block class but it will be worth double in their grade point average (because it is double the minutes of instruction per trimester).

Math: The regular math curriculum for 7th grade is known as 7th grade math. Accelerated 7th grade math students (Catalyst) take Pre-Algebra. The regular math curriculum for 8th grade math is 8th grade math or 8th grade pre-algebra. Accelerated 8th grade math students (Catalyst) take Algebra.

Physical Education & Health: Physical Education is offered daily. Three quarters are spent in physical education and one quarter is spent in health.

Science: 7th grade science is a life science course and the 8th grade science course is an earth science course. Our science teachers have emphasized and continue to emphasize a hands-on approach to teaching science.

Social Science: Our social science curriculum consists of world geography in 7th grade and U.S. history and government in 8th grade. An Illinois graduation requirement for 8th graders involves learning about the U.S. and Illinois Constitutions and passing the constitution tests.

Lunch: All students have a 30-minute lunch period (rough estimate: 20 minutes to eat, 10 minutes for recess or other activity such as silent reading).

Study Hall: Study Hall is to be utilized for quiet study and students need to come prepared for the entire time frame. Students may receive passes to the library from the study hall supervisor. Those students who received a D or F on their midterm or quarter report card may be placed on "No Pass Status". These students will not be allowed to leave their regular study halls without the specific direction or permission of a staff member. No Pass Status remains in effect until the end of the next marking period. Study hall supervisors may assign peer tutors (through the Beta Club), structure study groups, etc. in an effort to help students achieve passing grades. During this time, a student may be assigned to an adult at-risk aide to assist with schoolwork.

HOME/SCHOOL COMMUNICATION

The staff at CJHS is committed to providing the best possible educational environment for our students. The educational environment is only enhanced when parents and teachers work together. That's best accomplished through quality home/school communications. The teachers at CJHS will make an effort to contact parents on a regular basis, but communication is a two-way street. Parents need to contact their child's teacher regularly as well. Below you'll find a few of the formal avenues of home-school communication which are utilized at CJHS:

Email: All CJHS staff members can be reached via email. Addresses consist of a staff members first initial of his or her first name followed by the entire last name with the following ending - @csd17.org. For example - jsmith@csd17.org.

Indian Letter: Each Thursday "The Indian Letter" is distributed to all students and/or families. This email based newsletter will be sent to every parental email address which is made available to the main office. The Indian Letter will provide information about upcoming events, recognize special student accomplishments and give helpful hints about what it takes to be successful at CJHS.

CSD17 & CJHS APP: We have an app for smartphones. It has extra-curricular schedules, lunch menus and other important documents. In addition, set it to allow "push notifications" and you will receive occasional important messages via the app.

Mid-term Progress Reports: All students receive mid-term grade reports. It needs to be signed by a parent or guardian and returned to the study hall teacher by the specified date. These notices provide the communication necessary to realize where students should focus extra effort. All students should have plenty of time from this point to bring those grades up and to have a successful quarter.

Open House: Open house is scheduled in the evening during the first week of school. (Look for the date in the school calendar.) This night provides an opportunity for parents to find out more about school and teacher expectations. **All parents should attend.**

Trimester Report Cards: At the end of each twelve- week grading period, a report card will be issued. Report cards will reflect current grades for each subject, absences, grade point average and computerized comments made by teachers. It is understandable that parents may want to discuss their child's grade with a teacher. We encourage parents to call the teacher and schedule appointments as needed.

Parent/Teacher Conferences: Parent/Teacher conferences are scheduled two times during the school year (see your school calendar for specific dates). Parents should contact the school to schedule appointments to visit their child's teachers. Appointments can be reserved by calling the office and asking the secretary for times. **All parents should attend Parent/Teacher Conferences.**

Power School: The faculty and staff at CJHS will be utilizing the Power School program for the reporting of student attendance and grade reporting, as well as the majority of other data collection activities. Parents may logon to Powerschool and set up daily or weekly emails with grade and/or lunch balance updates. In addition, **Powerschool has an APP** for parents AND students which allows for quick monitoring of grades and lunch balances.

PROCEDURAL GUIDELINES

Accidents or Injury: Any student involved in an accident or injured in any way must report the incident immediately to his or her classroom teacher. If a teacher is unavailable, the student should report directly to the main office.

Assignment Notebooks: Keeping an assignment notebook is necessary for successful organization in school. Teachers may check to see that it is filled in after each class. Parents should also check the notebook to help keep their student organized. Any lost notebooks should be replaced through the main office for a cost of five dollars per notebook.

Attendance: Illinois law requires that whoever has custody or control of any child between seven and seventeen years of age shall assure that the child attends school in the district in which he or she resides, during the entire time school is in session. A child who is frequently absent misses discussion and instruction that cannot be made up. We do not mean, however, to encourage parents or guardians to send a child to school when his or her attendance would endanger the health of his or her classmates; but we do feel that absence for other reasons than illness should be avoided if at all possible. In the event you have advance knowledge that your child is going to be absent, please send a written note to the school explaining the absence. **When an unexpected absence occurs, parents/guardians are required to telephone the school BEFORE 9:00 AM and provide the school with a reason for the absence. You may call the attendance hotline at 521-3031 before 7:30 am, or call the office after 7:30 am at 467-4314.** In the case of excessive absences from school, documentation from a physician may be required by the administration. Students who are excessively absent from school may also be referred to the Will County Truancy Officer.

Book Bags: Students are to leave their book bags in their lockers during the school day.

Building Access Before School: Students should NOT arrive to school prior to 7:35 a.m. unless prior arrangement is made with a staff member. Car riders are to be dropped off at the southeast entrance (that entrance is closed at 7:47 a.m.). Bus riders, bike riders and pedestrians can enter through the main entrance.

Cameras &/or Camera Phones: Photography or filming with these devices at school, on buses or at school events is strictly prohibited. Filming, picture taking, recording or phot-altering and/or posting online of anyone without their permission is strictly prohibited and will be considered a serious violation of school rules.

Cheating & Plagiarism: Students involved in these activities will be dealt with immediately by their classroom teacher and/or the administration. These unethical behaviors will not be tolerated. Students will be assigned disciplinary consequences and may receive zero credit on the assignment or test.

Dress Code: The Board of Education expects student dress and grooming to reflect the standards of personal conduct so that each student's attire promotes a positive, safe, and healthy atmosphere with the school. Students dress may not present a health or safety hazard, violate municipal or state law, or present a potential for disruption to the instructional program. Attire or accessories, which advertise, display or promote any drug, including alcohol or tobacco, sexual activity, violence, disrespect and/or bigotry towards any group are not acceptable. Unacceptable clothing and accessories include, but are not limited to, gang-related attire, excessively tight or revealing clothes, short shorts or skirts (general guideline would be with arms to the side, minimum fingertips in length), bare midriff, low-cut and/or off the shoulder blouses, tank tops, spiked or excessive jewelry, and chains. Sagging, or the wearing of pants below the waist or the wearing of excessively baggy pants are prohibited. **Students should be completely covered by clothing from shoulder to mid-thigh. There should be no holes in jeans above mid-thigh.** Hats, caps, visors, bandanas are not to be worn during the school day. Jackets or coats, designed to be worn outside in inclement weather, are to be placed in lockers and not worn to classes. Teams or Clubs who occasionally wish to have a special dress-up day to show team unity must still receive advance permission to do so. The dress guidelines at Channahon Junior High were designed to help maintain an academic environment that emphasizes decency and respect.

Dress Code for the 8th Grade Dance: Female students may not wear: backless or low-back dresses; low-cut dresses or dresses that reveal cleavage; or dresses made of sheer or see-through material. Additionally, dresses must be fingertip in length. If the dress-code is violated, students may be asked to wear a shawl or in extreme cases, asked to go home. Male students must wear: dress pants and a collared shirt; ties are optional. Jeans, athletic pants, and shorts are not allowed. If the dress-code is violated, in extreme cases, students may be asked to go home.

Entering School: There are two entrances available to students in the morning. Students riding buses or walking are to enter the building through the main office entrance (door #1) at the beginning of each day. Students dropped off by parents should use the east driveway entrance and drop off/pick up at the Southeast corner of the junior high school building. Students will be admitted to the school beginning at 7:35 a.m. on every school day. **Parents: Please be aware of the stop arms of the busses when they are parked. Cars who pass a stopped school bus are in violation of the law. All car traffic should avoid the front driveway from 7:15 – 7:45 am and from 2:25 – 2:50 pm.**

Field Trips/Class Activities: From time to time field trips and class activities are scheduled. As they are considered an extension of the school, *all school guidelines and rules are in place.* Students may be withdrawn from these events for disciplinary or academic

reasons. Students who have a doctor's note excusing them from gym class may be required by the nurse or principal to provide a doctor's release in order to attend the field trip. Students are responsible for any missed assignments, tests, etc.

Hallway Guidelines: In order to ease the flow of traffic and avoid congestion and confusion students must follow these regulations:

- 1) Running, pushing and shoving are not allowed. We have a hands-off policy.
- 2) Slamming lockers is not permitted. Lockers are to be closed in a reasonable fashion.
- 3) Students who are in the hallway after the bell need to have a pass. It is the student's responsibility to ask the teacher for a pass.
- 4) Students should pick up after themselves and be conscientious, in an effort to keep our hallways neat and orderly.
- 5) Food/drinks should not be in the hallway.
- 6) Due to safety concerns, absolutely no misbehavior of any type will be tolerated on the stairways. The elevator is available only to students with medical clearance from a physician. **The two stairwells at either end of the academic hallways are to be used for students going upstairs only. The middle stairwell should be used for going from upstairs to downstairs at all times.**

Homework: Homework may be required at times. The assignment notebook will help students organize their work. Homework is the student's responsibility.

Lockers: Every student will be assigned a locker for storage of books, jackets, note books, etc. Students will be responsible for their assigned lockers. Lockers are to be kept neat and orderly. Pictures, mirrors, or signs may be displayed inside as long as they are in good taste and are not permanently affixed. Writing and/or drawing on lockers is not permitted. The exterior of lockers may NOT be decorated (in order to keep them looking nice and new). The only exceptions are "Good Luck Signage" by coaches/parent organizations and teachers (all with administrative approval). The assigned combination should be private. Lockers are not to be "set" to open automatically. This can cause damage to the mechanism for opening and closing. Lockers are school property and upon occasion the principal may need to inspect student lockers.

Lunchroom Guidelines: Each student will have their own lunch period for approximately thirty minutes per day. Students may bring their own lunch or purchase the school lunch. The lunch program is a pre-paid system in which deposits can be made to student debit accounts. When purchasing lunches, students are to present their student id cards to the cashier for the appropriate debit to be made. Replacement cards are \$5. If you lose your lunch card it must be replaced within one week. The balances of all lunch accounts for individual students can be checked by parents through the Power School program. Do not bring drinks in a glass container as they can easily break. Food may not be taken outside and students are not permitted to go to lockers during lunch. Students must have a pass signed by a teacher prior to lunch period if they intend to go to a teacher's classroom. Seating may be assigned. Students are expected to follow procedures established to ensure an orderly lunchroom. Furthermore, students are expected to listen to all supervisors. Everyone is responsible for cleaning up after him/herself.

Make-up Work from Illness: CJHS is adopting standards-based-grading philosophies (emphasis on what a child knows at assessment time, and less emphasis on when they know it, such as first-time-or-else grading). Teachers will set their own standards-based-grading make-up and re-do policies, but it will at minimum allow students returning from an illness to have the number of days missed (plus 1) to make up work for full credit. Parents should call and report every absence and may request homework at this time. However, requests must be made before 9:00a.m. Parents requesting homework for absences can pick it up after 3:00. Parents will be given the homework packet in the office, and it is the parent's responsibility to get all necessary books from your student's locker. Locker combinations will be supplied.

Planned Absences: For any planned extended absence (such as a family vacation) students should notify all of their teachers at least two weeks prior to the absence. The teacher and student will fill out a **planned absence form** which will list the assignments and the due dates. All work which is received beforehand or during any extended absence, including but not limited to vacations and out of school suspensions, will be due to turn in on the date of return to school. For any planned extended absence in which work is not received beforehand, all make up work will be due within five school days.

Medication: When a child requires medication, the primary responsibility for administration of such medications rests on the parents. The district recognizes that some conditions can be controlled or corrected only when medicated at intervals, which may include school hours. In those instances, when the doctor determines that administration during school hours is necessary for optimum benefits, the District 17 board policy regarding the administration of medication will be followed. If your child will need to take any type of medication during the school day, please contact the main office to obtain a copy of the district guidelines.

Morning Announcements: Each morning, announcements will be given over the intercom, followed by the Pledge of Allegiance. The announcements will provide information about up-coming events, sports results, and club organization news. All announcements have to be cleared by the office, coaches or sponsors. Personal information will not be allowed on the intercom. Students are expected to be quiet during the announcements.

Nurse's Pass: Our Nurse will be on duty every day during the time posted. Anyone who needs to see the Nurse must first obtain a pass

from his/her teacher. Emergencies that occur during a time when the Nurse is not present will be referred to the office. The Nurse is to be notified of any medical conditions, (broken arms, sprained ankles, etc.) medications for distribution, and/or doctors excuses from P.E. If students come to school and become ill, they may be sent home. For the most part, students need to have a temperature above normal in order to be sent home. The nurse or the office will make every effort to contact the home and emergency numbers in case of an emergency.

P.E. Guidelines & Dress Code: Students are required to wear a CJHS P.E. uniform, white athletic socks, and tennis shoes. Uniform shirts and shorts can be purchased from Ken Woody's in Joliet, IL. **For safety purposes**, facial piercings, ear gauging devices, dangling or hoop earrings, necklaces, bracelets, and watches may **NOT** be worn during PE class. Tennis shoes should not be their street shoes and should be kept at school. Each student will be provided a locker and combination lock.

Assigned lockers should be kept locked and the combination should remain private. Students are required to be excused from P.E. with a Doctors' excuse if they have stitches, a splint, or a cast. Also, students will not be allowed back into P.E. until they are released from their doctor and bring in a note to verify this. Good personal hygiene habits are emphasized in health as well as P.E. **Uniforms need to be taken home every Friday, cleaned, and brought back to school after the weekend.** An unwashed uniform will NOT be an excuse for not participating in P.E., even with a parent note.

P.E. Excuses: If a student is unable to participate in physical education, an excuse must be provided. A doctor's note is needed for a long-term condition (i.e. something longer than 2 days). A parent may excuse a student for illness that doesn't necessarily warrant medical attention for one day, three times per quarter. Cases such as these require parental discretion as to the seriousness of the illness. Excuses for minor illness such as a cold or aches and pains are not acceptable. The student is responsible for bringing a note from home to the school nurse. If a student is in attendance, and does not participate due to injury or illness, then they are not allowed to participate in after-school practices or games.

Personal Items: Personal items such as video game players, toys, games, etc., are to be left at home and not brought to school. Cell phones should not be on the student at any time during the school day and use is prohibited during this time. Any articles from home that are required for a speech or demonstration in a class must be approved ahead of time by the teacher or principal. These items may be kept in the office for safe-keeping. Pets are not allowed in the building without prior permission and special arrangements for drop off and pick up. Any personal item deemed not conducive to the school environment may be confiscated by the teacher and/or principal and returned only to a parent.

Phone Usage: The office phone may be used by students for emergency purposes only or if permission is given by a staff member. Students are not allowed to call home for forgotten items. **All cell phones should be put away as soon as you enter the building, turned off and stored in lockers during the school day.**

Pop/Candy/Beverage/Gum Rules:

- No pop, food or candy should be brought into any class.
- Sealed pop or food must be sealed in a lunch bag and/or stored in a locker when entering the building. High Caffeine Drinks (e.g. Monster Drinks) are not allowed at school, even during lunch time.
- Gum rules are at the teacher's discretion.
- Since the school is air conditioned and we have water fountains, water bottles will only be permitted in class with administrative approval based off of a doctor's note.

Guidelines for Violations of Pop/Gum/candy Rules:

- 1st offense (quarter): warning
- 2nd offense (quarter): lunch detention
- 3rd offense (quarter): detention
- 4th offense (quarter): office referral for action

Textbooks: All textbooks are the property of Channahon Schools. Families pay a rental fee to use them. When students are assigned books, it is their responsibility to care for their books. Students will be assessed a fine for lost or damaged books. It is strongly encouraged that students cover their books in order to protect them.

Visitors: All visitors to the building must report to the main office immediately upon entrance to obtain a visitor's pass. Students will not be allowed to bring visitors to school with them.

Anywhere, if the conduct interferes with, disrupts, or adversely affects the school environment, school operations, or an educational function, including but not limited to, conduct that may reasonably be considered to: (a) be a threat or an attempted intimidation of a staff member; or (b) endanger the health or safety of students, staff, or school property.

Disciplinary Measures

School officials shall limit the number and duration of expulsions and out-of-school suspensions to the greatest extent practicable, and, where practicable and reasonable, shall consider forms of non-exclusionary discipline before using out-of-school suspensions or expulsions. Potential disciplinary measures include, without limitation, any of the following measures:

1. Notifying parents/guardians.
2. Disciplinary conference.
3. Withholding of privileges.
4. Temporary removal from the classroom.
5. Return of property or restitution for lost, stolen or damaged property.
6. In-school suspension.
7. After-school study provided the student's parent/guardian has been notified.
8. Community service.
9. Seizure of contraband; confiscation and temporary retention of the personal property that was used to violate school rules.
10. Suspension of bus riding privileges.
11. Suspension from school and all school activities for up to 10 days. A suspended student is prohibited from being on school grounds.
12. Expulsion from school and all school activities for a definite time period not to exceed 2 calendar years. An expelled student is prohibited from being on school grounds.
13. Transfer to an alternative program if the student is expelled or otherwise qualifies for transfer under State law.
14. Notifying juvenile authorities or other law enforcement whenever the conduct involves criminal activity, such as, illegal drugs (controlled substances), "look-alikes," alcohol or weapons or in other circumstances as authorized by the reciprocal reporting agreement between the District and local law enforcement agencies.

The above list of disciplinary measures is a range of options that will not always be applicable in every case. In some circumstances, it may not be possible to avoid suspending or expelling a student because behavioral interventions, other than a suspension or expulsion, will not be appropriate and available, and the only reasonable and practical way to resolve the threat and/or address the disruption is a suspension or expulsion.

Weapons Prohibition

A student who is determined to have brought one of the following objects to school, any school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school shall be expelled for a period of not less than one year but not more than 2 calendar years: The expulsion requirement may be modified by the superintendent, and the superintendent's determination may be modified by the board on a case-by-case basis. The definition of a weapon can be found in Board Policy 7:190. Please consult with the principal before bringing anything into the school, even for a class project or speech, that could be interpreted as a weapon.

Gang & Gang Activity Prohibited

"Gang" is defined as any group, club or organization of two or more persons whose purposes include the commission of illegal acts. No student on or about school property or at any school activity or whenever the student's conduct is reasonably related to a school activity, shall: (1) wear, possess, use, distribute, display, or sell any clothing, jewelry, paraphernalia or other items which reasonably could be regarded as gang symbols; commit any act or omission, or use either verbal or non-verbal gestures, or handshakes showing membership or affiliation in a gang; or (2) use any speech or commit any act or omission in furtherance of the interest of any gang or gang activity, including, but not limited to, soliciting others for membership in any gangs; (3) request any person to pay protection or otherwise intimidate, harass or threaten any person; (4) commit any other illegal act or other violation of district policies, (5) or incite other students to act with physical violence upon any other person. Any student who is immediately or indirectly involved in any such offenses may be suspended from school for up to 10 days and may be recommended to the Board of Education for expulsion, as per district policy.

Re-Engagement of Returning Students

The building principal or designee shall meet with a student returning to school from an out-of-school suspension, expulsion or alternative school setting. The goal of this meeting shall be to support the student's ability to be successful in school following a period of

exclusion and shall include an opportunity for students who have been suspended to complete or make-up missed work for equivalent academic credit.

Additional Student Behavior Information

Students who receive 3 lunch detentions in a trimester, will receive an after school detention on the 4th. Students will receive progressive discipline for repeated infractions. Students will have a fresh start each trimester for all minor infractions.

These steps may be bypassed as deemed necessary by the Dean, Principal and/or school district.

Lunchroom Detention: Students may lose their lunchroom privileges for disciplinary reasons. All those assigned a lunchroom detention must be prepared to eat their lunch in the lunch detention room. Talking is not allowed in the detention room. It is the student's responsibility to report to the lunch supervisor for their lunch detention. **If a student accumulates 3 lunchroom detentions in a trimester, an after school detention will be issued for each additional offense, in addition to the lunchroom detention.**

After School Detention: Detentions are given for more serious or continual student misbehavior. The detention slip issued to the student will explain the misbehavior. The parent may be asked to sign the detention slip and the student will return it to the office the next day. Failure to serve a detention will result in issuance of a 2nd detention. **Continued failure to attend a detention will result in discipline consequence progression, including in-school or external suspension.**

In School Suspensions: In school suspensions consist of spending the entire school day in isolation (either in a teacher's classroom, the library or the office). They may be issued a book to read and/or may be given a meaningful writing assignment. Class work will be gathered for them and they will be able to begin working on their assignments. Students must turn in all work to their teachers the next day. Students may be suspended from all in-school and after-school activities during the suspension.

Out of School Suspensions or Expulsions: Out-of-school suspensions consist of students spending the entire day out of school. Students are suspended from school grounds and all school activities. Students suspended will have work collected by 2:00 p.m. the first or second day of suspension. All work will be expected to be turned in the first day back from suspension. After each out of school suspension students and their parents may need to conference with the principal prior to the student coming back to school. If a student needs to be suspended for more than ten (10) consecutive days, parents are entitled to a hearing in front of the School Board, as outlined in the Channahon Public School Board Policy.

Behavioral Expectations

Tardiness - Students are to be in their scheduled classes when the bell rings. A tardy will be issued if this is not the case. A person who receives three tardies from a single class, during a trimester, including 1st period, will be issued an after school detention. The passing period is three minutes. All unexcused tardies will be dealt with as truancy.

Truancy - Un-excused absence from individual classes and/or significant portions of any school day will be considered as truancy. Excessive truancy will be referred to the Will County Truancy Officer. Truant behavior may also result in school issued disciplinary consequences.

Bus Misconduct - See section below. Misbehavior on the bus will not be tolerated by the administration of Channahon District 17.

Cafeteria Expectations – Students are expected to keep their eating space clean and throw away all of their trash. Throwing of food is considered a serious violation of cafeteria rules and the student can expect an immediate consequence.

Public Display of Affection - Students are not to participate in acts demonstrating their affection for others, including but not limited to actions such as, hugging, kissing, and holding of hands.

Misuse of Technology - All students are required to sign an appropriate usage form prior to utilizing the technology available at CJHS. If students choose to violate this agreement, they may be subject to disciplinary consequences, including but not limited to the loss of access privileges. If technology is used to harass or intimidate other students, either at school or from home, students may receive appropriate disciplinary consequences.

Cheating/Forgery/Plagiarism - Acts of academic dishonesty will not be tolerated at CJHS. Students may receive appropriate disciplinary consequences and may receive zero credit for the assigned task.

Electronic Devices (cell phones, games, music devices, etc.) - All such devices should be turned off and put away as soon as you enter the building and stored in lockers during the school day. The school day will be defined as **7:35 a.m.** until the dismissal bell.

Vandalism - Temporary and/or permanent damages made to the property of others or to school property will result in disciplinary consequences. In addition, financial restitution will need to be made.

Insubordination/Disruptive Behavior/Inappropriate Language - Students will be expected to behave respectfully both during the school day and at all school-sponsored events. All such incidents of misbehavior may result in immediate disciplinary action.

THEFT/OTHER ILLEGAL ACTIVITY - Students involved in any illegal activities, including but not limited to the aforementioned, may be internally or externally suspended from school. The local authorities may also be contacted at the discretion of the administration.

TEASING & INSULTS

Teasing or insulting others is hurtful to others and will be addressed. Warnings will not be given for this type of behavior. Students guilty of minor, first-offense infractions will be given one of the following: 1) a detention or 2) required to participate in peer mediation. Students guilty of more hurtful infractions or repeated infractions shall receive a suspension from school.

FIGHTING, INCITING OTHERS, BULLYING, (SEXUAL) HARASSMENT AND INTIMIDATION

Fighting = Any time that one student has aggressive physical contact with another student it may be considered fighting. Pushing, kicking, and slapping are all included in fighting. Fighting includes any behaviors that put any other student at risk or in danger of being harmed. Actions prior to the fight will be investigated and students are responsible for any actions that incite or provoke (teasing, bullying, name-calling, etc...).

Inciting others = In many cases, students are encouraged or incited to join in a physical altercation by another student who is truly the root of the problem. Students who encourage others to fight will be subject to the consequences for fighting whether the incited students actually make physical contact or not.

Bullying, Intimidation & (Sexual) Harassment- Bullying, intimidation, and (sexual) harassment are not acceptable in any form and will not be tolerated at school or any school-related activity. The school will protect students against retaliation for reporting incidents of bullying, intimidation, or (sexual) harassment, and will take disciplinary action against any student who participates in such conduct.

No person shall harass, intimidate or bully another based upon a race, color, nationality, sex, sexual orientation, ancestry, age, religion, creed, physical or mental disability, gender identity, order of protection status, status as homeless, or actual or potential marital or parental status, including pregnancy, or other protected group status. The school and district will address harassing, intimidating conduct, or bullying whether verbal, physical, or visual, that affects the tangible benefits of education, that unreasonably interferes with a student's educational performance, or that creates an intimidating, hostile, or offensive educational environment.

Examples of prohibited conduct include name-calling, using derogatory slurs, causing psychological harm, threatening or causing physical harm, or wearing or possessing items depicting or implying hatred or prejudice of one of the characteristics stated above. Examples of sexual harassment include touching, crude jokes or pictures, discussions of sexual experiences, teasing related to sexual characteristics, and spreading rumors related to a person's alleged sexual activities.

Students who believe they are victims of bullying, intimidation or harassment or have witnessed such activities are encouraged to discuss the matter with their teacher, dean, social worker or building principal. Students may choose to report to a person of the student's same sex. Complaints will be kept confidential to the extent possible given the need to investigate. Once an investigation has begun, all parties involved should not escalate an already sensitive situation or they will face additional consequences. Students who make good faith complaints will not be disciplined.

Any student who is determined, after an investigation, to have engaged in bullying, intimidation or harassment will be subject to disciplinary consequences as provided in this handbook, including but not limited to, suspension and expulsion consistent with the school and district's discipline policy. Parents of students who have engaged in the above behavior will be notified. Any student making a knowingly false accusation regarding harassment may also be subject to disciplinary consequences.

TOBACCO/ALCOHOL/DRUGS - School Board Policy 7:190 Student Discipline, includes all prohibited student conduct and disciplinary measures that are allowed to be used as a result of the prohibited conduct. However, it is important to specifically outline the procedures that will be followed by school administrators for the following acts of "gross misconduct":

A student who, during his/her junior high school career uses, possesses, distributes, purchases or sells tobacco in any form (including electronic cigarettes and hookah pens) during the school day and/or at any school-sponsored activity (home or away) shall be subject to the following penalties:

- 1st offense - 3 day out of school suspension and the school resource officer will be notified
- 2nd offense - 10 day out of school suspension and the school resource officer will be notified
- 3rd offense - 10 day out of school suspension pending an expulsion hearing*

A student who possesses, uses, distributes, purchases or sells any illegal drug, controlled substance, or alcohol during the school day or at any school sponsored activity (home or away) shall be subject to the following penalty:

- 1st offense - 10 day out of school suspension pending an expulsion hearing* and the school resource officer will be notified

*An expulsion hearing is conducted by the Board of Education. The Board of Education has the right to determine length of expulsion from school for up to 2 calendar years.

OUR DRUG-FREE PLEDGE

The faculty and staff at CJHS are committed to promoting the safety and well-being of our students through our ongoing anti-drug efforts. We believe that we are blessed with some great students and an outstanding community, however, the impact of drug abuse can be felt in all areas. Students are aware that the possession, distribution, or use of drugs at school or any school related function is absolutely prohibited. The school reserves the right to search school property and equipment owned or controlled by the school (such as lockers, desks and parking lots). Although we believe that our students make good choices in regards to drug usage, we also believe in being diligent in the deterrence of any and all drug abuse. We also intend to allow local law enforcement to conduct drug-dog searches to help ensure a safe and drug-free environment at least once every school year.

BUS PRIVILEGE & WALKERS

It is important for all students to respect their school bus driver and obey the rules posted on the bus.

Bus Route Assignments: Bus routes and bus stops are assigned and all students must follow these assignments. If an emergency arises and a student needs to change busses or stops, parents must send a note to the principal. **If any student needs to ride a bus home to another student's bus stop, a signed note from the parents of both students must be submitted to the main office.** Students getting a ride from their parents should be picked-up near the east entrance.

BUS SAFETY RULES

- 1) Respect and listen to your bus driver.
- 2) Stay seated at all times. Wait until the bus comes to a complete stop before getting up.
- 3) Feet are to be on the floor and out of the aisles. Students should face the front at all times.
- 4) Eating and drinking is not allowed on the bus.
- 5) Windows may be opened only as far as the indicator line.
- 6) Throwing things in the bus or out of the windows is not allowed.
- 7) Talking on the bus is permitted, however, excessive noise is distracting to the driver and is to be avoided.
- 8) Students are responsible for their own belongings such as books, bags, and instruments. No radios or toys are allowed on the bus.
- 9) Pushing and shoving at the bus stop and the sidewalk at school is dangerous and strictly prohibited. The bus stop is considered an extension of school and all rules guiding student behavior at school are in force at the bus stop.
- 10) When you exit the bus, always walk in the front of the bus at the drivers sign. Never go behind the bus.

BUS MISCONDUCT

The bus driver is the authority on the bus and is expected to enforce all safety rules. Violations of the rules stated above will result in disciplinary measures taken by the bus driver and school staff to ensure safety. The bus driver has the prerogative of assigning seats. Students are expected to remain in their assigned seats when bus drivers assign seats. Throwing of items on the bus is considered a major bus rule infraction and the student can expect immediate consequences. Students who continue to violate safety rules will be referred to the principal and additional disciplinary consequences may occur, including but not limited to suspension of bus riding privileges.

Dismissal: Dismissal from school is staggered with half of the students (first dismissal busses) being dismissed at 2:32. The other half of the student body (second dismissal busses & walkers or car riders) are dismissed at 2:39, with the buses leaving at approximately 2:44. Students will be dismissed from their 8th period class to go to their locker and then immediately to their assigned bus. Any student who is staying after school for an extracurricular activity will be released at second dismissal. No athletic participants will be released at first dismissal, unless specifically requested by the administration.

WALKERS/BIKE RIDERS

- 1) Do not walk or ride your bike in the middle of the road.
- 2) Be careful crossing streets. Watch for traffic.
- 3) When walking students must use sidewalks and walking/biking paths when available.
- 4) All walkers, bike riders and car riders will be dismissed at 2:39 (second dismissal bell).
- 5) Students assigned bus routes must ride their bus, unless they bring in a signed note from **their parent/guardian giving them permission to walk or bike ride to and from school.**

EXTRACURRICULAR/ATHLETIC ACTIVITIES

All extracurricular activities are a privilege, not a right. Therefore, to participate in any extracurricular athletic competition/sport, club and/or activity, the student must be in good academic standing. If a student is not, he/she may be exempted from participation until

he/she has improved. This includes attendance issues. Furthermore, students who violate school rules may be removed.

Transportation to and from practice, activities, and/or clubs is the responsibility of the student's parents/guardians. Picking up your child promptly is appreciated.

CLUBS AND ACTIVITIES

Three lunch detentions shall count as one detention. One violation which results in an in-school suspension day(s) shall count as two after-school detentions. Any out of school suspension shall result in immediate dismissal. In order to be recognized as a Beta Club member at the graduation ceremony, students must meet the same GPA and discipline criteria, and complete a total of fifteen hours of service (7.5 community service and 7.5 school service hours). Additionally, members must participate in all Beta-sponsored activities. The Beta Club will elect four officers: President, Vice President, Treasurer and Secretary. All elected officers will adhere to the National Beta Club standards or they may be removed from their position.

with contest performances. See Mrs. Michalak in room 200 for more information.

Spelling Bee- The CJHS Spelling Bee is held during the winter and is open to any 7th or 8th grader as well as the 6th grade winner. This Bee determines the overall top speller in the district. The district winner will then compete in a County Spelling Bee. The top spellers from each grade will compete in the IVC Spelling Bee for the top awards out of all conference schools.

See Mr. Martin in room 109 for more information.

Dances/Other School-Sponsored Activities: Junior High dances and special events are for Channahon Junior High students only. The students must stay the entire time unless a parent comes to the door to pick a student up early.

ATHLETICS

The philosophy of athletics at CJHS is to provide a well-rounded quality program that contributes to the physical, mental, and emotional well-being of those who participate. Our program is based on the premise that success is individuals and teams playing to the best of their abilities. Students will be given an athletic handbook at the beginning of each season. It is the responsibility of the student and parents/guardians to read the handbook.

ACADEMICS: ELIGIBILITY, CODE OF CONDUCT, GPA & AWARDS

The eligibility policy has been formulated in accordance with the Illinois Elementary School Association or I.E.S.A. Grades are checked weekly and a student must be doing passing work in all school subjects. If at any eligibility check a student is failing any subject, he/she will be ineligible to compete from Monday through Saturday of the following week. A person can be reinstated if he/she can meet these same eligibility requirements at the end of any succeeding week. A student who is ineligible may not participate in any interscholastic event; however, they are required to attend each practice. These students will spend the first half of each practice studying in those subject areas that they are failing and the last half working with the team. Ineligible players will not be allowed to go to away games on the bus with the team. Ineligible players SHOULD attend home games. They will be required to sit near the team and be out of uniform. Ineligible players will be encouraged to go to homework club when it meets. No player may skip a detention in order to play a game. If a player has fulfilled his/her obligation for a detention, he/she may play on that day. Any player who attends school but fails to serve a detention on a given day will be ineligible until all outstanding detentions are served. A student must attend school on the day of an interscholastic event in order to play that day. **Athletes must be in attendance for at least half of the school day to be eligible to participate in any contest on that date or on the weekend immediately following the absence.** A student who misses Physical Education due to a medical excuse either from home or the doctor will not be allowed to participate in the after school sport that day. **Any student who quits a team after the first interscholastic event will be ineligible to par-**

participate in any other sport during the same athletic season.

* Drama & Musical performances shall fall under the same guidelines and expectations.

Athletic Code of Conduct: Athletes are representatives of their school and community. Their conduct must reflect this responsibility at all times.

1. Good sportsmanship is a prime objective of Channahon Public Schools and will be expected of its participants. Athletes should conduct themselves in a sportsmanlike manner at all times. Students who do not demonstrate good sportsmanship may have consequences set forth by the coach or administration.
2. Players, coaches, and parents must respectfully abide by the decisions and judgments of all game officials.
3. Develop a good attitude. A person's character becomes apparent in sports when times get tough.
4. Respect your fellow athlete for himself or herself and not according to race, creed or religious beliefs.
5. Any athlete upon proof of using or possessing tobacco on or off school grounds for a first offense will result in a loss of 20% of the regular season dates. This penalty may be carried over from one season to the next.
6. Each sport team and coach will have a distinct set of rules relating specifically to the sport. All athletes are expected to adhere to all rules that the sport or coach may impose.
7. Any athlete upon proof of any involvement in illegal activities, may be removed from the sport for the remainder of the season.

Guidelines for Spectators at Athletic Events: So that each parent, student, & guest may enjoy viewing athletic contests & events at CJHS, and in order to keep playing conditions as safe as possible for all participants, we expect all spectators to observe the following guidelines:

1. Treat performers & all spectators with respect. (No booing or hissing.)
2. We expect people to be loud, but be appropriate. Being appropriate means:
 - Applaud & listen at the appropriate times.
 - Remain in seats during game action.
 - Generally speaking, enter & exit the gym quietly during breaks in the action.
 - Use proper language. (No profanity.)
 - Food & drinks need to be kept in the Commons Area.
3. Be safe at the contest.
 - No foot-stomping in the bleachers.
 - No running, jumping, or horseplay.
4. Student spectators are expected to be in the gym at all times, except during the designated concessions time. Spectators that violate the rules may be required to leave.
5. Adult spectators should never address student athletes directly with anything negative or disparaging. Student spectators are always held to the school code of conduct. They shall not chant anything negative or inappropriate at the other student athletes.

HONORS AND AWARDS

Calculating Grade Point Averages: Every letter grade each quarter is worth the following points: A= 4, B=3, C=2, D=1 and F=0. Language Arts is worth double because it has double the minutes of instruction per quarter (e.g. A in Language Arts is worth 8, whereas A in other subjects is worth 4). Band and chorus do not count in grade point average computations. Add up the total points for the quarter and divide by those number of classes (English counts as 2 classes). *Let's calculate the following example: PE- A= 4, SS- B=3, LA- B=6 (double), Science- C=2, Math- A=4, Arts Rotation Class- B=3. 22 total points divided by 7 classes equals a grade point average of 3.14.*

Honor Roll: Each trimester grade point averages are computed and those students who achieve a minimum "B" average or 3.0 and above are put on the honor roll. Students who receive a perfect 4.0 for the trimester are considered high honors. Honor roll students receive recognition certificates.

Indian Pride: Each trimester the CJHS staff selects roughly 16 students as INDIAN PRIDE RECIPIENTS. These students are recognized based off of the character trait for that particular quarter (some examples of traits of the quarter might include honesty, trustworthiness, etc...). These students are recognized at an Indian Pride Breakfast and they receive a recognition certificate.

Good News Recognition: Any student "caught" doing an act of kindness for others will receive Good News recognition. These students will be called to the office for "good news" and receive small prizes.

8TH GRADE AWARDS

Although these awards are issued at the culmination of the junior high experience, all of the junior high years are taken into account.

American Legion Award: Gold tassel recipients (explained below) are eligible for the American Legion Award. One male and one female from among this group will be selected for this award. Winners will receive a framed certificate provided by the local American Legion Post and special recognition at the Graduation Ceremony. This award goes to the boy and girl who best exemplify the qualities of achievement, citizenship, participation in activities, integrity, leadership and patriotism. The entire faculty votes for the nominees and recipients of the American Legion Award.

American Legion Auxiliary Award: Recipients of this award receive a certificate and special recognition at Graduation. Like the American Legion Award, the qualities of citizenship, participation in activities, integrity, leadership and patriotism are considered. Unlike the American Legion Award students do not need to earn a Gold Tassel to be considered. Again the faculty nominates & elects the recipients of this award.

Art Johnson Memorial Award: Art Johnson was the Building and Grounds Superintendent for CSD17 for over twenty years. This award, started in 2015, is awarded to one 8th grade student who values the importance of staying involved through extra-curricular activities, while maintaining proper focus on academics and service to the school and/or community.

Band Director's Award: The Band Director will recognize one student who exemplifies musicianship at the highest level.

Beta Club: The Beta Club is a nationally recognized honor society. CJHS has established three standards in order to qualify for Beta Club: Academic, Behavioral, & Character/Citizenship. These requirements are further explained in the section titled "Academic Team, Clubs & Activities". A gold braid will distinguish Beta Club Members at graduation.

Rotary Service Above Self Award: This award goes to one young man and one young woman who exemplify service to others.

Channahon Lions Club Community Service Award: These students will receive an award from the Channahon Lions Club and their name will be permanently displayed on a plaque at CJHS.

Fine Arts Award: This award, started in 2015, is given to one male and one female student who exemplify excellence in the fine arts while maintaining a reputable academic standing.

Gold Tassel: Students who have achieved the honor roll at least 4 times during their Jr. High experience (based on six trimesters) will wear gold tassels at graduation. Gold tassels are recognition for academic excellence through the junior high years.

Perfect Attendance: Students that earn perfect attendance receive a certificate. Please be aware that missing a portion of a school day for anything that is NOT CJHS sponsored (such as a field trip), constitutes an absence.

President's Award for Educational Excellence: To be sure to achieve this prestigious award students must meet both of the following standards:

- 1) Achieve at the 85 percentile in Math or Language on a nationally normed achievement test,
- 2) Earn a 3.5 on a 4.0 scale.

Students that achieve this award are considered to be in the top 15% nationally.

President's Award for Educational Achievement: To receive this award student's fall into one of the following categories:

- 1) Earn a 3.0 GPA.
- 2) 85 percentile in Math or Language Arts on a nationally normed achievement test, and

THIS HANDBOOK CANNOT BE, NOR EVEN PRESUME TO BE, ALL INCLUSIVE. THE PRINCIPAL OR HIS/HER DESIGNEE MAY ESTABLISH CERTAIN RULES AND REGULATIONS NOT INCONSISTENT WITH THOSE ESTABLISHED BY THE BOARD OF EDUCATION AND THE SUPERINTENDENT OF SCHOOLS.

PERSONAL ELECTRONIC DEVICE WAIVER

In some of our classrooms, students may be allowed to bring a personal electronic device to class for educational purposes (e.g. silent reading in a language arts class). The decision to allow this is made by 1) the parent (to allow a valuable item to leave the home) and 2) the classroom teacher (to allow the item in the classroom when educationally applicable). The following is a liability waiver that would need to be signed by a parent for any student to be able to bring such a device to school (per teacher's approval in the classroom as already mentioned).

I hereby acknowledge and understand that there is a risk involved with allowing my child to bring his/her electronic device to Channahon School District 17.

I understand that by allowing my child to bring his/her electronic device, these risks may result in the loss or damage to the item. I, therefore, expressly assume all risks associated with my child bringing his/her electronic device to Channahon School District 17. By signing this release of liability I hereby fully and forever release and discharge Channahon School District 17 from any and all claims or demands present or future, anticipated or unanticipated, resulting from or arising from my child bringing his/her electronic device to Channahon School District 17. I have carefully read this release of liability and understand and fully agree with its contents.

This is a release of liability. Do not sign if 1) you do not understand or do not agree with its terms or 2) you do not want your child to bring their electronic device to school.

Concussion Policy

Any student suspected of suffering a concussion should be removed from that environment immediately. No student may return to school activities after an apparent concussion, regardless of how mild it seems or how quickly symptoms clear, without medical clearance. The Return to Play and Return to Learn policies of the IESA and IHSA requires students to provide their school with written clearance from either a physician licensed to practice medicine in all its branches, or a certified athletic trainer working in conjunction with a physician licensed practice medicine in all its branches prior to returning to class and school activities following a concussion. In accordance with state law all schools are required to follow this policy.

You should also inform your school administrator or member of the school's concussion team if you think your child may have suffered a concussion whether it be during a school activity or a non-school activity. For current and up to date information on concussions you can go to: <http://www.cdc.gov/ConcussionInYouthSports/>

We certify that we have read and understand the concussion policy.
