NOVEMBER

18-22

Bring them to room 102 (Delgado) in the morning, during flex/lunch, or after school.

Receive a small token of appreciation from Student Council for each item donated.

SANTA'S *Secret shop* AND VENDOR FAIR

DECEMBER 7TH
9AM - 1PM

CHANNAHON JR. HIGH
24917 W. SIOUX DR., CHANNAHON

At Santa's Secret Shop, Santa's Elves help children pick out & wrap small gifts for their loved ones!

How it works

- Have your child make a list of people they want to purchase gifts for.
- Include a hint with each name (age, relation etc).
- Most children will want something for themselves, so consider adding them to the list!
- Place the list & \$3 for each person in an envelope.

Children can shop & wrap gifts, while families indulge in a bake sale featuring delicious treats, alongside vendors & crafters! Complimentary coffee & hot cocoa included

Open
to the
Public!

hosted by the Channahon PTO

Cash and cards, as well as checks made payable to Channahon PTO, will be accepted.

Volunteer Your Time For

Santa's Secret Shop

Spread holiday cheer and be a part of the magic!

12/06/2024 12/07/2024

STREP

Strep is a common bacterial infection, usually of the throat. It is an airborne droplet contagion.

Strep Facts

Strep is contagious and frequently passed from person to person in the fluid droplets of coughs and sneezes--- this is why it is important to teach a child to cover their cough.

Minimize your child's risk of catching strep by teaching them to wash their hands often.

Symptoms of Strep

- Symptoms can occur anywhere from 12 hours to 5 days after exposure.
- Your child may exhibit any number of the following: red sore throat, white patches in the throat, difficulty or pain with swallowing, body aches, fever, headache, loss of appetite, minor complaints and even no complaints at all.

If you Suspect your Child has Strep

- Please have them checked by your health care provider; they will probably do a throat culture.
 - If the culture is positive – your physician will, most likely prescribe an antibiotic, which your child will need to be on for at least 24 hours before returning to school.
 - Your child can return to school provided he is temperature free for 24 hours without using a fever reducer.

Minimizing the Risk of Strep

- Remind your child about hygiene, covering their mouth with sneezes and coughs and proper hand washing.
- Teach your children not to share eaten food or drinks with other.

For Junior High Students
Newly Added.....
Snack Line Specials

OUR DRUG FREE PLEDGE

The faculty and staff at Channahon Junior High are committed to promoting the safety and well-being of our students through our ongoing anti-drug efforts. We believe that we are blessed with some great students and an outstanding community. However, the impact of drug abuse can be felt in all areas. Students are aware that the possession, distribution, or use of drugs at school or any school related activity is absolutely prohibited. The school reserves the right to search school property and equipment owned or controlled by the school (such as lockers, desks and parking lots). Although we believe that our students make good choices in regards to drug usage, we also believe in being diligent in the deterrence of any and all drug abuse. We also intend to allow local law enforcement to conduct drug-dog searches to help ensure a safe and drug-free environment at least once every school year.
