5 ESSENTIALS SURVEY

We value your opinions as crucial stakeholders at our school.

If you would, take the time and [click here](#) to complete the Parent Survey.

**We would greatly appreciate it!
The survey is open until
3/28/2025.**

A note from the Social Workers:

During the middle of March through the beginning of April, school staff will be administering the Social, Academic, and Emotional Behavior Risk screener (SAEBRS) universal screener. It is important to us that we have a baseline of social and emotional skills for all students. With the results of this questionnaire, we can better determine which students may need additional support(s) while they are in school. Please contact us with any questions you might have!
