**February Students of the Month!**

The Channahon School District is committed to supporting every student's academic growth as well as their social, emotional and behavioral growth. Part of our desired state for students is for them to be able to regulate their emotions, develop positive relationships and make responsible decisions. As part of this process, school staff will administer the Social, Academic, and Emotional Behavior Risk Screener (SAEBRS) the week of March 17th. This data will be gathered and reviewed to develop the next steps to support all students. Don't hesitate to contact me with any questions you might have!

## History Bee & Geography Bee Results!

This past Saturday, Channahon about a dozen students represented us in both the National History Bee and the National Geography Bee Regional competition up in Lincolnshire, where some of the students scored at the top of the pack and qualified for Nationals in Orlando this May!

In the History Bee, Nolan Bullis came in 11th place out of all 6th graders and qualified for Nationals, along with Holt Vanderploeg who came in 15th!

In the Geography Bee, the superstar was Spencer Brown, who scored higher than all of our Channahon 7th & 8th graders! He came in 7th out of all 6th graders, qualifying for Nationals, along with Nolan Bullis. In surprise turn after everyone left the contest, after all final scores were updated, we have two other 6th graders who have qualified for Nationals in the Geography Bee: Holt Vanderploeg & Michael Gornick!

All students who participated should be so proud of their efforts and of how they demonstrated awesome sportsmanship throughout the day! Congratulations to everyone who qualified to move on in the competition!

## Athletics

6th Girls Volleyball, Co-Ed Wrestling and Bowling are all currently underway.

### Track & Field

**Girls first day Monday, March 10th**

**Boys first day Tuesday, March 11th**

Check the Athletics website [HERE](#) for up-to-date sports information and schedules throughout the season.

★ A current sports physical is mandatory to be considered eligible to participate.

Green participation slips must be picked up by the student and brought to the coach on the first day of practice. The green slips make the coach aware a current physical is on file.

**OUR DRUG-FREE PLEDGE** The faculty and staff at Three Rivers School are committed to promoting the safety and well-being of our students through our ongoing anti-drug efforts. We believe that we are blessed with some great students and an outstanding community, however, the impact of drug abuse can be felt in all areas. Students are aware that the possession, distribution, or use of drugs at school or any school related function is absolutely prohibited. The school reserves the right to search school property and equipment owned or controlled by the school (such as lockers, desks and parking lots). Although we believe that our students make good choices in regards to drug usage, we also believe in being diligent in the deterrence of any and all drug abuse. We also intend to allow local law enforcement to conduct drug-dog searches to help ensure a safe and drug-free environment at least once every school year.
