### OUR DRUG-FREE PLEDGE

The faculty and staff at Three Rivers School are committed to promoting the safety and well-being of our students through our ongoing anti-drug efforts. We believe that we are blessed with some great students and an outstanding community, however, the impact of drug abuse can be felt in all areas. Students are aware that the possession, distribution, or use of drugs at school or any school related function is absolutely prohibited. The school reserves the right to search school property and equipment owned or controlled by the school (such as lockers, desks and parking lots). Although we believe that our students make good choices in regards to drug usage, we also believe in being diligent in the deterrence of any and all drug abuse. We also intend to allow local law enforcement to conduct drug-dog searches to help ensure a safe and drug-free environment at least once every school year.
