KidsConnection

PreSchool Open House

Wednesday February 22
Arrowhead Community Center
5-7PM

Looking for somewhere fun and safe to send your little ones to start their educational journey? Come on over to Arrowhead Community Center on Wednesday February 22 for an informational open house! Our instructors will be there to answer questions and share information about our program and the upcoming year!

This is a great opportunity to get a feel for Kids Connection before registration opens to Residents on Monday February 27 and Non-Residents on Monday March 6!

The Scholastic Book Fair will also be open during Open House!

More information about Kids Connection and the upcoming school year can be found on our website at:
