

Homeownership Information Seminar

Join us and learn what it takes to be a Habitat homeowner

Grundy-Three Rivers Habitat for Humanity
builds and sells homes to families who work or live in Grundy County.

Your family may qualify for a Habitat home if:

- 1) **You have a need.** Eligible families currently renting a home, apartment or living with a loved one may qualify. You cannot already own a home.
- 2) **You can pay a mortgage.** Families may qualify if the gross household income is about \$25,590 - \$51,180 (for a family of 4) and meet other qualifying factors.
- 3) **You are willing to partner.** Families work alongside volunteers to build their homes, giving 400 hours to construction and events.

You must attend one seminar to receive an application and be eligible to apply:
